Hardrock is fortunate to have great corporate partners who want to share their products with you. In this special edition of the Tommyknockers Tale, we feature four of our partners: Altra Shoes, Gu Energy Labs, Tailwind Nutrition and Ultimate Direction.

Each of these partners has something they would like to share with you and/or make you aware of in celebrating you running in the 25th edition of Hardrock.

[Altra](#) is excited for another Hardrock 100! Take 15% off any of our shoes as you prep for this year's race!

[Tailwind Rebuild](#) is the first sport recovery drink based on a patent-pending perfectly complete protein. We start with organic rice protein, and supplement it with amino acids to make that protein complete. Then we add carbohydrates, some healthy fats from coconut milk, and just the right amount of electrolytes. Nothing repairs your muscles more efficiently, restores your energy faster, and makes you feel better sooner. Oh, and it tastes great. Tailwind Rebuild is non-GMO, gluten-free, vegan, and contains no or dairy. Try it out today!!!
